

Plafoniera

HARRIET – 671710742

incl. 1x SMD LED, 45W · 1x 3800lm, 2500 + 3500K

- **Non adatto per dimmer esterno**
- **Montaggio sia a parete che a soffitto**
- **Funzione memorizzazione**
- **IP20**
- **Switch Dim To Warm**

This is where design and functionality meet. The decorative design of the HARRIET luminaire is impressive whether switched on or off and is a real eye-catcher. Thanks to the innovative SwitchDimToWarm technology, the brightness and light colour can be adjusted with any light switch. You can choose between two light colours, each of which can be dimmed from 100% to 50%. Thanks to the integrated memory function, the light scenario last set with the remote control automatically sets itself as soon as the light is switched off and on again via the wall switch. The combination of anthracite and grey colour tones provides a modern appearance. The lamp also features a modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.

Costruzione materiale

Metallo · Antracite

Dimensioni prodotto

Larghezza: 80cm
Altezza: 9cm
Profondità: 40cm
Peso: 6,4kg

Dati tecnici

Lampadine: SMD – LED (integrato)
Watt: 45W
Lumen: 1x 3800lm
Kelvin: 2500 + 3500K
Resa cromatica nominale (CRI): > 80 CRI
Durata di vita: 25000H
Cicli di commutazione: 12500x ON/OFF
