SANDFJORD – R64122132

incl. 1x SMD, 30W · 1x 3420lm, 2700 – 6500K

- **Remote control**
- **Integrated dimmer**
- **Light color infinitely variable**
- **Night light**
- **Ceiling mounting**
- **Not suitable for external dimmer**
- **Memory function**
- **IP20**
- **WiZ Connected**
- **Fan**
- **3 modes of speed**
- **Timer**

With the SANDFJORD, functionality and design go harmoniously hand in hand. The modern ceiling luminaire with integrated fan masters the most diverse requirements of everyday life and ensures a balancing distribution of cold or warm room air as well as optimal illumination in summer, but also in winter. Both functions can be switched separately from each other. The included remote control also allows the light colour to be continuously adjusted from warm white to cool white and the light intensity to be adjusted according to need. Thanks to WiZ technology, the intelligent ceiling luminaire creates a fascinating and innovative lighting design that can be controlled, programmed and managed completely individually. The integrated timer, the night light function as well as the three speed levels of the fan perfectly round off the functions of the lamp and make the SANDFJORD the optimal all-rounder in your four walls. The fan combines black matt metal in cage look with a luminous ring in puristic white. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Metal · Black mat

Product dimensions

Height: 21cm
Diameter: 52cm
Weight: 3,3kg

Technical data

Light source: SMD – LED (integrated)
Watt: 30W
Lumen: 1x 3420lm
Kelvin: 2700 – 6500K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 12500x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP20
