excl. 1x E14 · max. 10W

- **Montaggio a parete**
- **IP20**
- **Lampade non incluse nella confezione**

Lightness through an interesting mix of materials! The spotlights in the NANDINI range combine wood, textile and metal in a timeless way that is currently very trendy and at the same time creates a cosy living ambience. The single-flame spotlight is the ideal choice for setting individual lighting accents in the hallway or living area and scores points with its flexible mounting on the wall or ceiling. The spotlight will delight you with its cosy flair and play of light! The combination of metal in matt black and wooden elements can be found in modern and minimalist furnishing styles. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
